Purpose

This guide will outline how to download, login, create, and submit a deposit through the Merc mRDC app. If you need additional help, please contact our Treasury Support Services Team at (800) 453-8700 option 2 or by email at treasurysupport@mercbank.com. Our Treasury Support Services Team is here to assist you during the business hours of 8:00 AM to 5:30 PM EST, Monday through Friday.

System Requirements

The Merc mRDC app can be supported with the following mobile devices.

- Apple® iPhone® & Apple iPad®
- Android™ Phone & Android™ Tablet
- Windows® 7 Phone

Getting Started

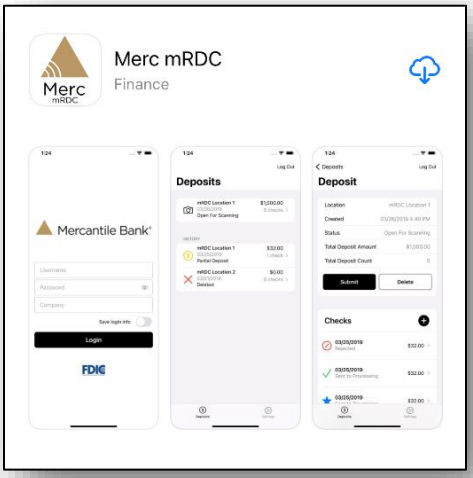
You must be set-up as a user in RDC-Remote Deposit Complete in order to use the app. Contact your Company System Administrator (CSA) to be added.

Note - The images in the guide were taken using an Apple® iPhone®. Different mobile device displays may vary.

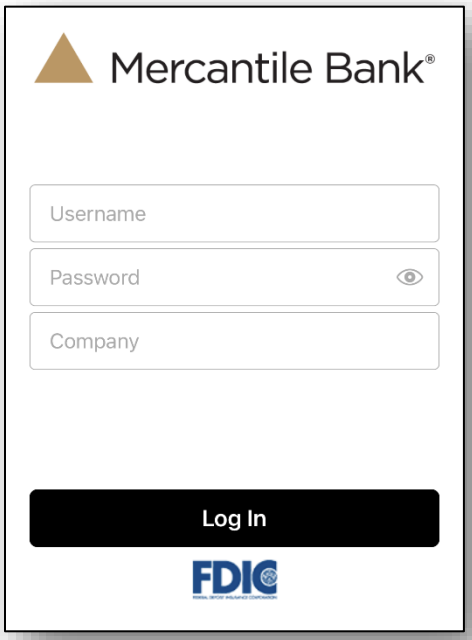
Downloading the Merc mRDC App & Logging In

1) From the mobile app store, **Search** for **Merc mRDC** and **Download.**

Note - Some mobile device settings may require a password to download apps, this is not set by the bank.



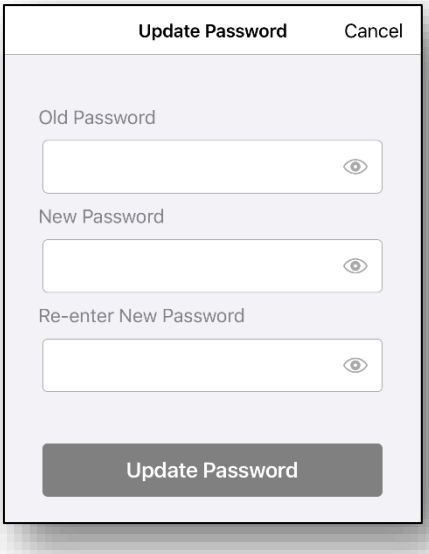
2) Open App and **log in.**



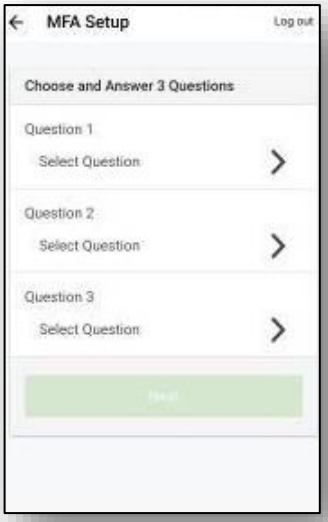
3) If logging for the first time, the system will prompt you to establish a password. **Enter** the **temporary password** in the Old Password field. **Enter New Password** then **re-enter** again to confirm. **Select Update Password** to continue. **Note -** Passwords expire every 90 days and are case-sensitive.

Use the following guidelines when creating a new password:

- At least 1 uppercase letter
- At least 1 lowercase letter
- At least 1 number
- 8-15 characters in length

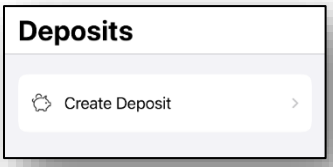


4) If logging in for the first time the system will prompt you to set-up security questions. Security questions offer an extra layer of security when logging into the system. **Select Question(s)**, **enter answer(s),** and **Submit.**



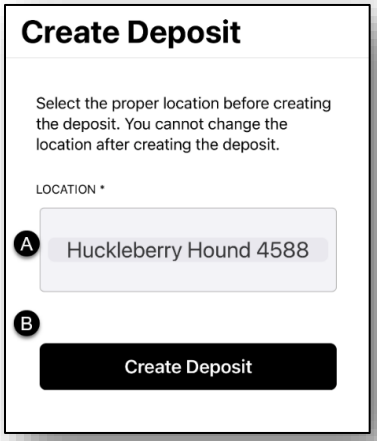
Creating a Deposit

1) Select Create Deposit.

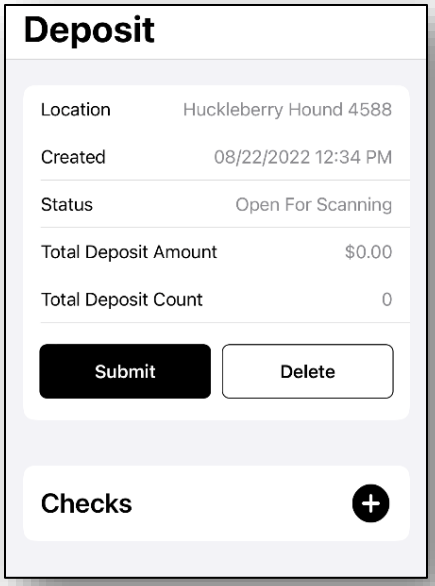


2) Select Location the account where the funds will be deposited then **select Create Deposit.**

A. Location (deposit account)
B. Create Deposit button



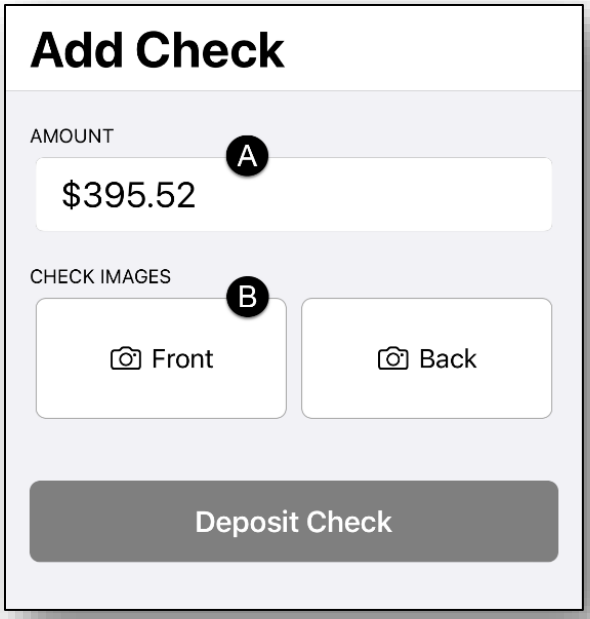
3) Select ⊕ to add a check.



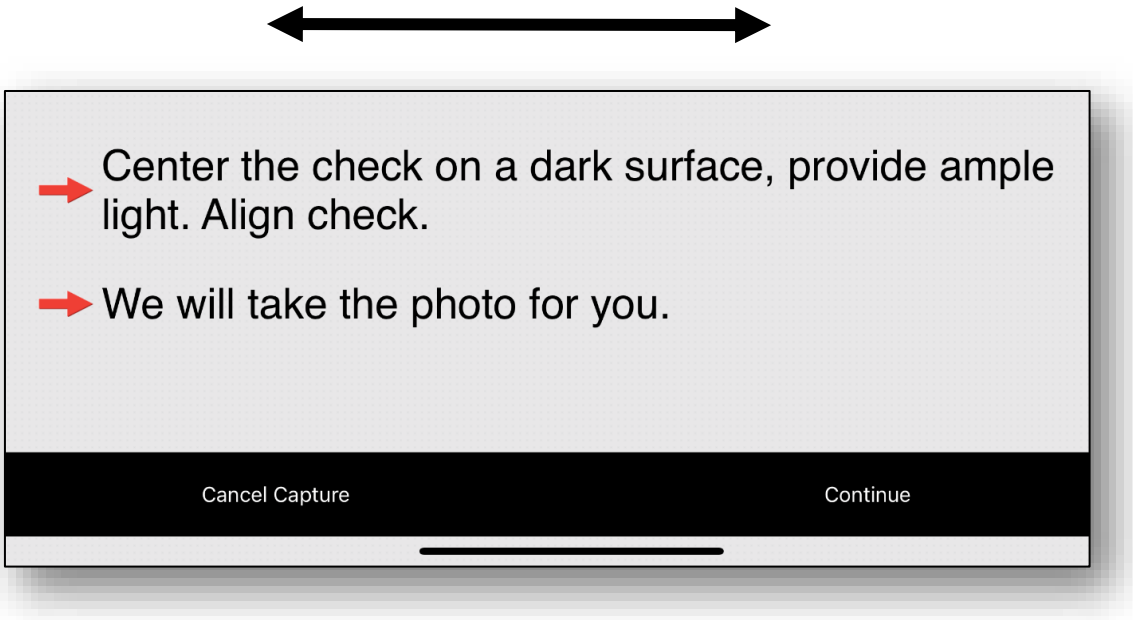
8) Enter Amount of check then **select Front** button**.**

Note - a prompt may display on the device to allow access to the camera select ok or allow access.

A. Total amount of all checks
B. Front button



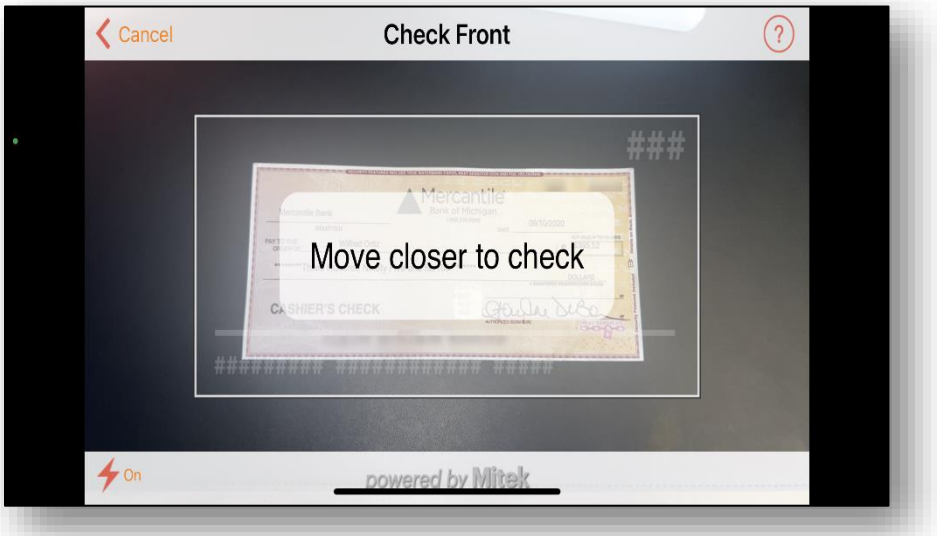
9) Turn phone horizontally, review instructions, and then **select Continue.**



10) Align check within the **check boarder** displayed on the screen.

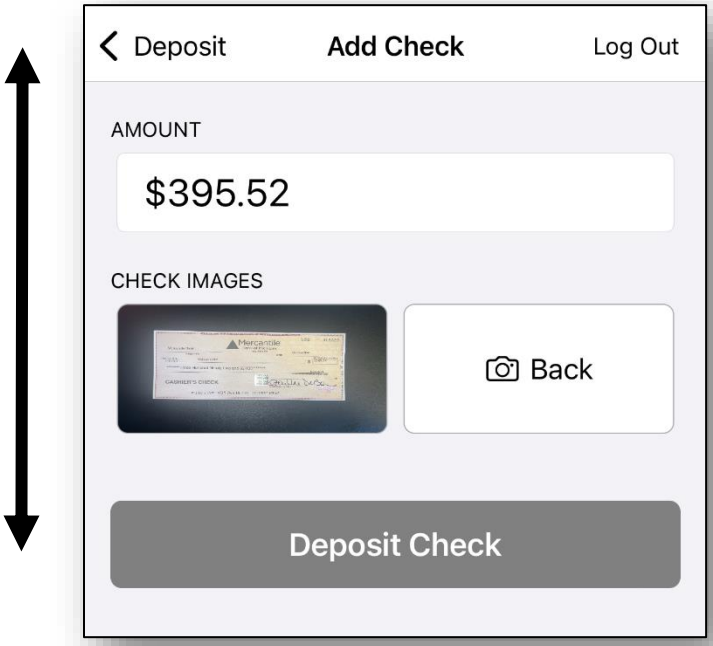
Note - make sure check is on a flat solid-dark background with plenty of light. A virtual endorsement is set-up for each customer with the service, but you are welcome to add an endorsement indicating that the check is for electronic deposit only or similar restrictive endorsement. *No* international checks.

If the check is not in alignment, an on-screen guide may appear.



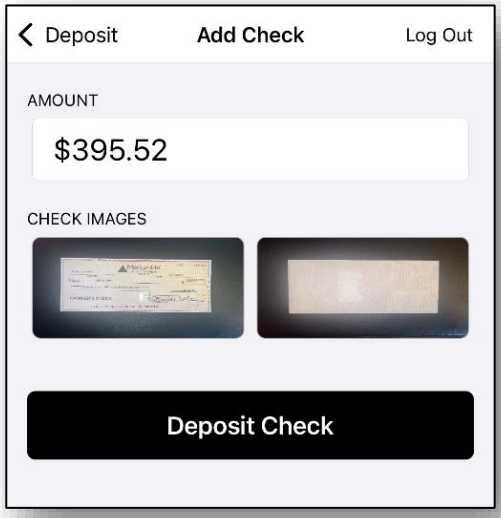
Once the image is aligned, an on-screen “Success!” message will display and the system will continue automatically to the next screen.

11) Turn phone vertically then **select Back button.**



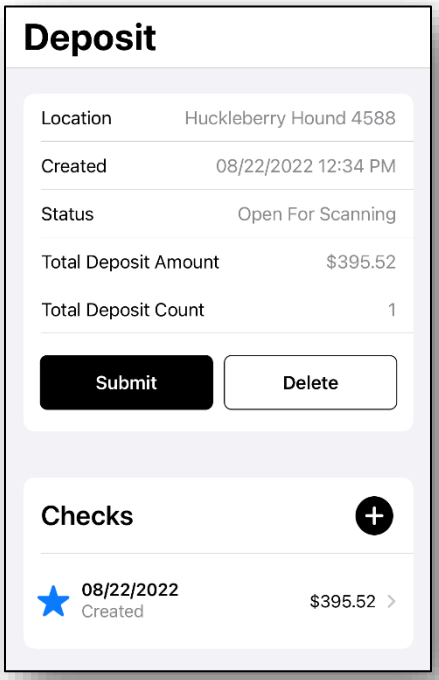
12) Turn phone to **horizontally** and **align check within** the **check boarder** displayed on the screen until the "Success!" message appears. The system will continue automatically to the next screen.

13) Select Deposit Check button to continue.

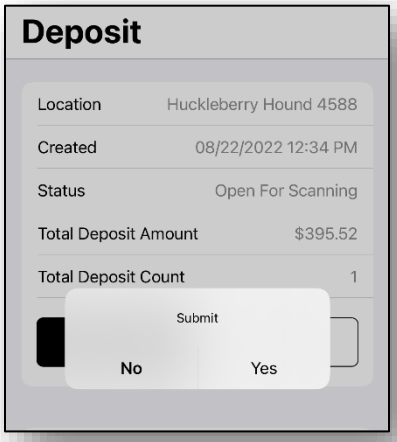


14) From here you can:

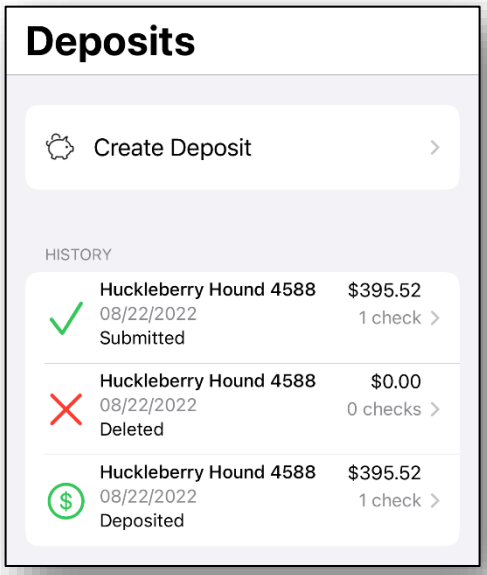
- Select ⊕ to add another check and repeat steps 8-13.
- Select Submit to send batch to the bank for processing. Proceed to step 15.
- Select Delete to delete the entire batch. *No* items would be processed.

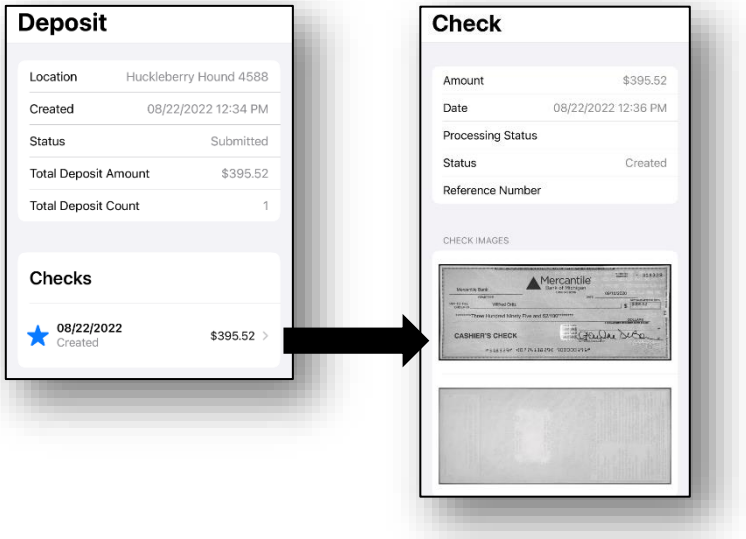


15) If Submit was selected, a confirmation message will display. **Select Yes** to submit deposit for bank processing.



The status of the deposit will display under *History* on the *Deposits* screen. 5pm ET is the cutoff time for checks to be deposited to the account that day and imaged that night. Retain checks for 14 calendar days in a secure location. After that, they can be destroyed.



Icon	Description
✓	The item has been submitted
$	The item has been deposited
$	The item has been deposited with one or more adjustments
X	The item has been rejected and was not deposited
⊗	The item has been deleted
	The item is open for scanning
$	This icon indicates a partial deposit


You can select a deposit under *History* to review the details and then select checks within the deposit to view the images.
